

2018-2019-LNNLRCD DOCK RENTAL PERMIT

A dock rental program is available for land owners within the RCD district.

While all land owners qualify, there will be a limited amount of spaces available.

The success of the program will dictate future availability. For the initial start-up of the program there are 14 slots available on a first-come first-served basis. If demand exceeds the supply of docks on hand, we can build more docks and implement a lottery system for the remaining docks.

A renter will be able to keep a registered watercraft moored to their dock from May 1st to December 1st.

The dock may be used for boating, fishing and other normal lake usages.

The renter will comply with all RCD regulations.

Docks are for seasonal use, and are not to be used for storage of boats or boating or fishing gear;

If boating and fishing gear is to be stored on boats, the renter will accept all liability in regards to the security of their boats and gear.

Any embellishments to the docks are to be done by the RCD or with RCD approval.

Boats are to enter and exit the lake at the existing public ramps. The exception to this rule would be watercraft that are typically transported by hand, canoes, kayaks, paddleboards etc.

Renter's vehicles, with the exception of bikes and golf carts, should stay in normal designated parking areas, and never drive to rented docks.

Renters accept a liability as it pertains to dock usage including guest usage. The RCD is not responsible for any damage to renter's boat while tied to the dock including theft, vandalism, floods or other to acts of nature.

Renters will pay \$300.00 per season.

Fee is non-refundable.

Renter will retain first option to extend to the next season.(rates may adjust)

The RCD may terminate a rental agreement for non-compliance. (NO refund)

A renter may sell or gift their rental to a qualified user, with RCD approval.

I agree to the stipulations above for the rental of the RCD boat dock and understand that my rental period runs from 7/1/2018 thru 11/30/2018 and 5/1/2019 thru 6/30/2019 at a cost of \$300 annually.
